### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with John Wechkin on April 14, 2009.

The application has been amended as follows:

1. In claim 46, lines 4 and 7, "stimulation site" is changed to --cortical stimulation site--

### ***Terminal Disclaimer***

The terminal disclaimer filed on April 14, 2009 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of Application No. 11/355, 038 has been reviewed and is accepted. The terminal disclaimer has been recorded.

After the conversation with John Wechkin, examiner Alter was made aware of a objection to claim 31. The examiner was unable to contact Mr. Wechkin prior to the submittal of this Office Action and apologizes for any inconvenience. In order to proceed to allowance of this application, the examiner recommends the cancellation of claim 31. Please see the objection below.

***Claim Objections***

Claim 31 is objected to because of the following informalities: The subject matter of the combination of claims 30 and 31 is the same as the claimed subject matter in claim 46. Applicant is advised to cancel claim 31 since the subject matter encompassed by that claim makes it a substantial duplicate of the claim 46. Appropriate correction is required.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alyssa M. Alter whose telephone number is (571)272-4939. The examiner can normally be reached on M-F 8am to 4pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Angela Sykes can be reached on (571) 272-4955. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
